

Deed Of Substituted Security Lease Extension

Select Download Format:

Many remains Catholic after Africa's debt crisis, but some are turning to other religions and practices, especially in the Republic of the Congo. In the past, the country was a stronghold of Catholicism, but now, with the influence of the Internet and social media, people are exploring other faiths. However, scholars argue that predicting the future of religion in Africa is difficult, as the continent is highly diverse and dynamic.
